# Guide to National Vocational Qualifications (NVQ) for the Lift Industry 2025

*Delivering Technical Skills and Training to Industry, with Excellence as Standard*

## National Vocational Qualifications (NVQ) at Elevated Knowledge

### Elevate Your Skills and Career with NVQs

The lift and escalator industry are a critical sector that ensures the safe and efficient movement of people in various buildings and facilities. To maintain the highest standards of safety and reliability, skilled professionals are essential. National Vocational Qualifications (NVQs) offer a structured, practical approach to gaining these essential skills, recognised and valued by employers across the UK.

### What are NVQs?

National Vocational Qualifications (NVQs) are a work-based route to gaining a qualification, based on national occupational standards and are designed to assess your competence in real-world work environments, allowing you to complete your NVQ at your own pace while working, gaining practical experience and earning an income simultaneously.

They reflect the skills and knowledge needed to perform a particular job role safely and effectively to a set standard, ensuring that the skills you acquire are directly applicable and valuable to your role.

### NVQs in the Lift and Escalator Industry

NVQs in the lift and escalator industry cover a range of roles, from installation and maintenance to inspection and management. These qualifications ensure that professionals are well-equipped to handle the complexities and challenges of modern lift and escalator systems.

### Get Started with Elevated Knowledge

At Elevated Knowledge, we are dedicated to helping you achieve excellence in the lift and escalator industry and committed to providing high-quality vocational training that aligns with industry standards and meets the needs of both learners and employers.

For more information or to enrol in one of our NVQ programs, visit us at <https://elevatedknowledge.co.uk>, call us at 0161 475 5840, or email [info@elevatedknowledge.co.uk](mailto:info@elevatedknowledge.co.uk).

Elevate your skills, elevate your career with Elevated Knowledge.

## Working safely in an engineering environment.

Pathway	Duration	Price
EOR202N Working safely in an engineering environment (Lift Safety)	12 Months	£950 +VAT
EOR203N Working safely in an engineering environment (Stairlift Safety)	12 Months	£950 +VAT
EOR204N Working safely in an engineering environment (Escalator Safety)	12 Months	£950 +VAT
EOR205N Working safely in an engineering environment (Service Lift Safety)	12 Months	£950 +VAT
EOR206N Working safely in an engineering environment (Platform Lift Safety)	12 Months	£950 +VAT

EOR202N and EOR204N classroom-based courses also available, please contact us for further details.

## Level 2 – Stairlifts.

Pathway	Duration	Price
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Servicing Stairlifts) (501/0147/XENG)	18 Months	£3,300 + VAT
EOR203N Working safely in an engineering environment (Stairlift Safety)	6 Months	
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Installing Stairlifts) (501/0147/XENI)	18 Months	£3,300 + VAT
EOR203N Working safely in an engineering environment (Stairlift Safety)	6 Months	

## Level 2 – Platform Lifts.

Pathway	Duration	Price
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Service Lifting Platforms) (501/0147/XENM)	18 Months	£3,300 + VAT
EOR206N Working safely in an engineering environment (Platform Lift Safety)	6 Months	
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Installing Lifting Platforms) (501/0147/XENL)	18 Months	£3,300 + VAT
EOR206N Working safely in an engineering environment (Platform Lift Safety)	6 Months	

## Level 2 – Service Lifts.

Pathway	Duration	Price
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Servicing Service Lifts) (501/0147/XENH)	18 Months	£3,300 + VAT
EOR205N Working safely in an engineering environment (Service Lift Safety)	6 Months	
EAL Level 2 NVQ Diploma in Engineering Maintenance and Installation (Installing Service Lifts) (501/0147/XENJ)	18 Months	£3,300 + VAT
EOR205N Working safely in an engineering environment (Service Lift Safety)	6 Months	

## Level 3 – Lifts.

Pathway	Duration	Price
<b>EAL Level 3 NVQ Diploma in Engineering Maintenance (Lift Servicing) (501/0544/9EMG)</b>	<b>24 Months</b>	<b>£4,000 + VAT</b>
<b>EOR202N Working safely in an engineering environment (Lift Safety)</b>	<b>6 Months</b>	
<b>EAL Level 3 NVQ Diploma in Engineering Maintenance (Lift Repair) (501/0544/9EMH)</b>	<b>24 Months</b>	<b>£4,000 + VAT</b>
<b>EOR202N Working safely in an engineering environment (Lift Safety)</b>	<b>6 Months</b>	
<b>EAL Level 3 NVQ Diploma in Installation &amp; Commissioning (Traction Lift Installation) (501/0733/1ICC)</b>	<b>24 Months</b>	<b>£4,000 + VAT</b>
<b>EOR202N Working safely in an engineering environment (Lift Safety)</b>	<b>6 Months</b>	
<b>EAL Level 3 NVQ Diploma in Installation &amp; Commissioning (Hydraulic Lift Installation) (501/0733/1ICD)</b>	<b>24 Months</b>	<b>£4,000 + VAT</b>
<b>EOR202N Working safely in an engineering environment (Lift Safety)</b>	<b>6 Months</b>	

## Level 3 – Escalators.

Pathway	Duration	Price
EAL Level 3 NVQ Diploma in Engineering Maintenance (Escalator Repair and Services) (501/0544/9EMI)	24 Months	£4,000 + VAT
EOR204N Working safely in an engineering environment (Escalator Safety)	6 Months	
EAL Level 3 NVQ Diploma in Installation & Commissioning (Escalator Installation and Commissioning) (501/0733/1ICE)	24 Months	£4,000 + VAT
EOR204N Working safely in an engineering environment (Escalator Safety)	6 Months	

## Level 4 – Lift and Escalators.

Pathway	Duration	Price
EAL Level 4 Certificate in Performing Testing Operations in the Lift and Escalator Industry (610/2216/0)	24 Months	£4,000 + VAT

Elevated Knowledge also offers Engineering Apprenticships, BTEC Higher National Certificates and BTEC Higher National Diplomas.

Take the first step towards advancing your career with Elevated Knowledge. Our friendly technical sales team are here to help you choose the right program for your needs.
