TRAINING WITH EXCELLENCE AS STANDARD

ABOUT US

At Elevated Knowledge, we are more than just an Engineering Training Centre; we are a catalyst for building successful careers in Industrial Engineering and Lift Engineering. We deliver Apprenticeships, NVQ's, Up-skilling and Compliance training in Electrical, Mechanical, Maintenance, Welding/Fabrication and much more.

Our mission is to bridge the skills gap in the engineering industry by providing top of the range apprenticeships and commercial courses. We offer a range of accredited engineering apprenticeships and technical skills courses designed to elevate your knowledge and career prospects. Many courses can be bespoke for specific groups, ask for further details of this.

Whether you are looking to start your journey in engineering or enhance your existing skills, Elevated Knowledge is here to support you every step of the way.

Join us and take the first step towards a brighter future in engineering.

OUR SERVICES

- ✓ NVQ's
- ✓ Short Courses
- ✓ Refresher Courses
- ✓ Accredited Courses
- ✓ Up-skilling
- ✓ Safety Accreditation
- ✓ Apprenticeships

ACCREDITED COURSES

We deliver a wide range of accredited courses from awarding bodies including:

- ✓ City & Guilds
- ✓ LEIA
- ✓ EAL
- ✓ Pearsons
